NOTICE TO INDIAN OWNED/OPERATED BUSINESSES AND TRIBAL MEMBERS:

Thank you for your interest in the Bonneville Power Administration Transmission Line Furnish and Install program's Grand Coulee-Bell 500kV Transmission Line construction project. During the course of this project, several subcontracts will be awarded by the Energy Delivery Service's (EDS) team.

The following subcontract has been awarded for work to be performed on the Grand Coulee-Bell 500 kV Transmission Line construction project. The award was determined by a competitive bid process between pre-qualified contractors reviewing multiple criteria including such items as price, experience and past performance record, personnel capabilities, financial capability and minority status including Indian Owned businesses.

We thank those of you who showed interest in this project and we look forward to your continued interest in the future.

Scope of Work: Road Access

Awardee: Fulleton Pacific Construction

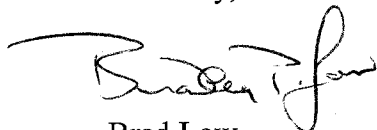

Telephone Number: 509-933-1960

Estimated Notice to Proceed: 4/21/03

Estimated Completion Date: 10/20/03

If you have any questions please call Dennis Ailor at 360-619-6815

Sincerely,

Brad Low
